Dear Ladies and Gentlemen,

the audit team of the TÜV Süd GmbH conducted a surveillance audit at the NCC Ltd regarding to the requirements of EN ISO 9001:2000. Part of the audit was a process audit on the construction site "Public school" in Tserovani processed by NCC.

The auditors overall impression of the quality of the management system as well the jobs done on site is that company is close to or fulfills the requirements of European standards.

We wish you all the best for your further development.
